Announcements

Congratulations are in order to Denise Burchette who took her 124 Fiat spider to Grapevine Texas and won the "Best Spider Challenge" at the Italian car fest in Grapevine Texas. To win this she had to first go to Detroit and be chosen by the Fiat-Lancia Unlimited club to compete and represent them. Once there she had to compete against the winners from other clubs across North America. And she did so admirably bring home the Blenko Trophy for best spider in North America.

Way to go Denise!!

Finally Congrats to the Corsa Rossa team for winning the group competition at the Graylyn rally in Winston-Salem. The team consisted of John Harrill in a Alfa Romeo spider, John and Kaye parker in a Alfa Romeo 164, Thor Mirchandi in a Alfa Romeo 164, and Kevin Harper in a Alfa Mustang.

PS To all, if you received this by post, ie snail mail, it was because I did not have your e-mail address. I would prefer to send this letter out in the future by e-mail, not because I am cheap, but because it is easier to press send than it is to print - fold - stamp and send. Also please let me know the name and address of anyone who maybe interested in receiving the newsletter. KH
